PROFESSIONAL EXPERIENCE

PSIK Faculty of Vocational Studies, Brawijaya University

December 2024 - Present

Social Media Specialist - Intern

- Executed a Creative Content Strategy by integrating Google AI & Gemini for trend analysis, resulting in a 1,100% increase in digital reach (from 1,000 to 12,000+ views).

WordPress Administrator - Intern

- Managed Community Engagement for academic staff and 70% of faculty users by maintaining an SEO-optimized WordPress site with 100% information accuracy.
- Applied Data-Driven Insights to monitor audience growth and content performance across faculty digital platforms.

PT. Nusantara Technology Solutions, Indonesia

May 2023 - August 2024

Frontend Developer – Intern

- Optimized the development of 5–10 production pages using React.js and Next.js, delivering API-integrated features for 4 major institutional projects.
- Applied Data-Driven Insights to improve UI responsiveness across all devices, accelerating client delivery cycles within a 9-member team.

Quality Assurance - Intern

- Solved critical technical issues by creating 15+ manual test cases, identifying UI/logic bugs before production release through rigorous Problem Solving.

International Conference on Applied Science (ICASVE 2025), Indonesia

January - March 2025

Frontend Developer & Quality Assurance (Freelance)

- Developed admin dashboard pages using Laravel in under 5 hours, meeting critical deadlines through efficient Problem Solving and AI-assisted workflows.
- Authored a comprehensive frontend manual book to ensure seamless technical handovers, showcasing attention to detail and Impactful Leadership.

LEADERSHIP & VOLUNTEER EXPERIENCE

PROVOKS (Programmer Vokasi) Community

November 2025 - Present

UI/UX Designer Mentor & Speaker

- Demonstrated Impactful Leadership by mentoring 30+ students in UI/UX principles, focusing on user-centered design and modern frontend implementation.
- Facilitated Public Speaking sessions by simplifying complex design concepts, fostering Community Engagement through hands-on workshops.

IDCamp x Dicoding, Indonesia

December 2024 - September 2025

Scholarship Recipient & Top Achiever

- Successfully completed the Frontend Development learning path from Beginner to Intermediate levels with top-tier honors.

- Earned professional certifications with an average **score of 9/10 and a 5-star rating** on all final syllabus projects.
- Demonstrated Collaborative Leadership by actively contributing to group meeting discussions and applying technical Problem Solving to deliver complex programming assignments within strict deadlines.

PKKMB Yuwaraja Brawijaya University, Indonesia

August - September 2025

Staff of Creative & Frontend Development

- Architected an orientation portal using Laravel to support 1,000+ students during peak onboarding, ensuring 0% downtime through proactive Problem Solving.
- Developed high-engagement digital assets that achieved 12,000+ views, contributing to the overall Creative Content Strategy of the university's largest orientation event.
